"Leading Thought in Long Term Savings"

*An invitation to join a special event on
26th & 27th April 2018
At Norton House Hotel, Ingliston, Edinburgh EH28 8LX*

"The-Pensions-Net-Work comes to Scotland"

The-Pensions-Net-Work (TPNW) was set up in 2006 to meet the needs of senior practitioners in the pensions and employee benefits industry. Four meetings a year are held to enable members to meet, discuss industry issues and exchange new ideas with their peers in a non-competitive, relaxed and informal environment. Up to now locations have typically been within 50 miles of central London.

Our meetings are held under the Chatham House Rule to encourage open debate, new learning and thinking. Usually there are six main speakers with ample time allowed for discussion after each presentation. There are also several networking opportunities. Meetings generally start at 5.30pm on Thursday evening finishing at lunch time on Friday. Included in the cost is dinner and overnight accommodation on the Thursday, breakfast and lunch on the Friday.

The objective is open, relaxed and constructive debate in an informal environment, allowing the opportunity for members to interact with their peers, colleagues and friends. With this in mind, the numbers attending are limited to around 40.

Over 250 expert speakers have addressed TPNW meetings since we started – you can find out more about the speakers and TPNW on our website - www.the-pensions-net-work.com

Given the success we've had "down south" we thought we'd try a pilot meeting north of the border. Hence this invitation. We've assembled a great array of speakers for this inaugural meeting including:

- **Ian Naismith** - pensions guru recently retired from Scottish Widows
- **Paul Masterton M.P.** for East Renfrewshire and member of the Scottish Affairs Select Committee
- **Duncan Howorth** - Executive Chairman at ITM and previously CEO UK Employee Benefits at JLT
- **Calum Cooper** – Partner & Head of Trustee Consulting at Hymans Robertson
- **Malcolm Kerr** – independent consultant
- **David Ferguson** - CEO Nucleus and one of the two government appointed Fintech envoys for Scotland

This is a special opportunity to experience the benefits of a TPNW event without having to travel to London. If successful we plan to repeat the event on a regular basis.

If you personally can't attend, please do pass this email to a colleague.

For further information and registration details please contact Patricia McSherry, Director of TPNW on 01761 418 755 or email at enquiries@the-net-work-meetings.com

I look forward to seeing you in Edinburgh.
